

TITAN GLOBAL TECHNOLOGIES LLC.
DISCLOSURE OF ORDER EXECUTION AND ROUTING PRACTICES
(SEC RULE 606)

Titan Global Technologies LLC. exclusively routes held orders in Rule 606 reportable securities to Apex Clearing Corporation ("Apex") for order routing. Apex may not be the ultimate execution venue for such orders, and these orders may be further routed to execution venues. Apex receives remuneration for directing orders to particular broker dealers or market centers for execution. Titan Global Technologies LLC. shares in such payments.

Titan Global Technologies LLC. does not select the execution venues to which Apex routes Rule 606 reportable securities for execution. As a result, Apex is better positioned to prepare a quarterly report that reflects any execution venue specific maker-taker arrangements or other execution venue fees or rebates.
